### **MESSAGE FROM STEVE**

As I look out at the multiple feet of snow on the course I'm finding it hard to imagine if we will be able to open the first week in April. Only time will tell. But that doesn't stop me from looking forward to the golf season. Warm sun, light breezes, green grass – it will all be here sooner than we think. New equipment will be arriving in case you feel like buying a game.

Mark Siems and his crew and I have been working in the Ballroom the past two weeks stripping wallpaper, repairing walls and putting a fresh coat of paint on everything. Check out your updated, refreshed new Ballroom the next time you're in the Clubhouse.

Jeff and Theresa have added new foods to our menu that I know you will like. Don't forget how affordable and delicious FDCC's food is. We can't wait to serve you. Our summer is filling up fast so if you're thinking of having an event here, it's time to book it now.

Make sure you are able to attend the Special Meeting on March 16, 2010 to vote on the revisions of the By-laws. These changes will allow a better "fit" for members. You will all be receiving a summary of the By-laws changes to study and ask questions.

We sent out "Save the Date" information on the special and new events the Entertainment Committee is working on for this year. They include a Spring Opener Party to celebrate the start of the season, wine tasting, cooking with beer and family pool nights every Sunday.

Plan on spending Easter with us at the Family Style Easter Dinner on April 4, 2010. We will be serving from 11:00 – 2:00 and there will be Easter Egg Hunts for the children.

Think Spring!

-Steve Fuller, PGA

## GOLF COURSE NEWS

This is usually when I'm writing about the snow cover disappearing and talking about maybe being open by the end of March. I'm pretty sure that won't be the case this year.

In the shop we are still repairing and fine tuning the equipment for the upcoming season along with applying fresh coats of paint to golf course accessories.

Speaking of paint.....Steve Fuller and I, along with my hard working crew have spent the past 2 weeks stripping off wallpaper, repairing walls and painting the Ballroom. Once done it will be much nicer and fresher looking with this long overdue makeover. We hope you like it.

Hopefully my message next month will be all about the golf course opening.

-Mark Siems
