# GOLF COURSE NEWS

Wow, what a start to the year. The playing conditions have been almost perfect. I don't ever remember an April that I was wishing it would rain, and it was a welcome sight when it did. I'm sure that many of you noticed that we aerified greens and tees. The greens aerification went perfectly, and the holes are almost completely healed. Now that the holes are almost grown in, and the threat of frost looks to be minimal, we will start to turn our attention to green speed. With the threat of frost minimized we can now spray the chemicals that reduce the growth on the greens. This will help to improve greens speed and make them more consistent throughout the day.

Now that the golfing season is underway I would like to remind everybody to scatter when driving carts. One of the biggest problems that we fight is the lack of areas to drive carts around greens and tees. The concentration of traffic causes the turf to thin out, eventually leading to a bare spot. This is why it is best to scatter when driving a cart and avoid areas that appear worn down. This is also the reason that in the coming weeks we will begin painting halos around greens. This will help to ensure the highest quality playing conditions around the greens. Everybody's cooperation is greatly appreciated.

Hope to see everybody on the golf course.

-Mark Siems

## LADIES MARTINI NIGHT

4/8/10

There's more going on than just golf at FDCC. Ladies Martini Night was a huge success. If you missed the Spring Opener on April 24 you missed a very fun time. Over \$6600 was raised by silent auction and participation in this event. Thank you to all our members who were so generous. Thank you to the Entertainment Committee for working so hard to put these two fabulous events together. Also a BIG THANK YOU to Steve Fuller and the Clubhouse staff for the wonderful food and drinks provided.

**Come on out to your Club and enjoy yourselves!**

**Beer Sampling & Cooking with Beer is being rescheduled.  
Be watching the calendar for this fun event.**
